

## Information from the hostel association about the opening of our hostels in June, July, and August 2020

Due to Covid-19 infection risk, the hosts of 19 hostels have decided to stay open this summer from 1. June on special terms as set out below:

In general, no hostels can receive guests without a previous booking, as the number of guests will be limited due to the distance requirements. This means that you must reserve a bed at the hostel by text, phone or email. Normally hostels are open after 5 p.m. every day.

In addition, guests are requested to follow the instructions given by the hosts. All guests must bring their own sheet for their bed.

The hostel association recommends an extra fee of 50 kr. per person as a hygiene supplement and booking fee.

See also the hostel folder for 2020 for information on [www.pilgrimhostels.org](http://www.pilgrimhostels.org)
